

Alfa Romeo owners' meeting "AROMS 100"

Latvian Alfa Romeo owners' club invites Alfa Romeo owners and fans to an international event, launching August 14, 2010! This year AROMS will begin in Riga and finish near Salacgriva by the Baltic sea just 100km from Riga, total distance below 200km.

As always we have prepared different activities for all participants and their families:

- Sightseeing (manor houses, castles, museums and beautiful nature)
- Regularity rally
- Driving according to the legend
- Orienteering
- Other exciting events

Evening party and overnight stay is at the guest house "Rakari" (detailed information in next page) by the Baltic sea:

- Grand Alfisti dinner
- Official speeches
- Dance party with DJ Peteris Zacests
- Breakfast and rest by the sea next day

Participation requires:

- Alfa Romeo car
- Crew, at least 2 persons
- Chronometer, clock, map of Latvia and Riga, pen, sheet of paper, calculator

Registration and participation fee:

- The fee includes overnight stay and dinner.
- The participation fee has to be paid in the event day and it is:
- EUR 40,- per person sleeping in fully equipped rooms
- EUR 30,- per person sleeping in tents
- Registration until the 1st of August must be done by filling the registration form in www.alfaclub.lv or by e-mail to alfaclub@alfaclub.lv or by phone. +371 29193973. In comments field please mention which overnight stay option you want to go for.

AROMS starts on 14. august 11:00 (registration from 10:00) near the "Alfa Romeo" showroom at K. Ulmaņa gatve 114, Riga!

Details: alfaclub@alfaclub.lv or by phone: +371 29193973

Information about guesthouse „Rakari“

The camping site Rakari is being structured as a high-level recreation place by the Baltic Sea intended for the traveller of Latvia and foreign countries, who travel around using the highway "Via Baltica". The philosophy of Rakari is to establish closer relationship with nature, maintaining the maximum comfort for guests.

The camping site consists of 16 facilitated twin houses built together, as well as caravanning sites, tent sites, parking,

playgrounds and recreation grounds. Each of the houses is of apartment type with a bedroom, a kitchen, recreation hall, lobby, and toilet with a shower and outside terrace. The toilet has tiled floor with electric heating. In the kitchen – a TV set, a fridge, an

electric oven and a sink, as well as a dish set. The furniture is of natural wood, rooms are simple and elegant.
